## ABOUT THE ORGANISATION

Setup in the year 1985, Lohardaga Gram Swarajya Sansthan has a long tradition of working for the cause of upliftment of the most downtrodden people especially the women and children of the tribal population and to act as catalyst to bring in socio-economic change in the Lohardaga area by establishing a responsive environment for the needs and to improve their quality of life of the rural community.

In the last three decades the organization has expanded its operations from one district to eight districts of Jharkhand state, as Palamu, Latehar, Lohardaga, Gumla, Simdega, Ranchi, Khunti, West Singhbhum, East Singhbhum and Saraikela districts.

Aligned to its vision and mission Lohardaga Gram Swaraj Sansthan (LGSS) has been contributing towards bringing change and improving the life standard of the rural community through multi stakeholder partnerships and advocacy since its inception. The organisation has been undertaking community development activities in the areas of child rights, education, health, sanitation, women empowerment, livelihood and natural resource management.

## THE MANAGEMENT

Management of affairs of the organisation is looked after the Executive Committee. The Executive Committee of LGSS constitutes the following,

Mr. Nemchand Bhagat	President
Mr. C. P. Yadav	Secretary
Mr. Sheikh Yasin	Treasurer
Mr. Wazir Ahmed	Member
Mr. Sachchidanand	Member
Mr. Dasai Oraon	Member
Prof. Malti Verma	Member

<b>Chief Functionary</b>	Mr. C. P. Yadav, Secretary
--------------------------	----------------------------

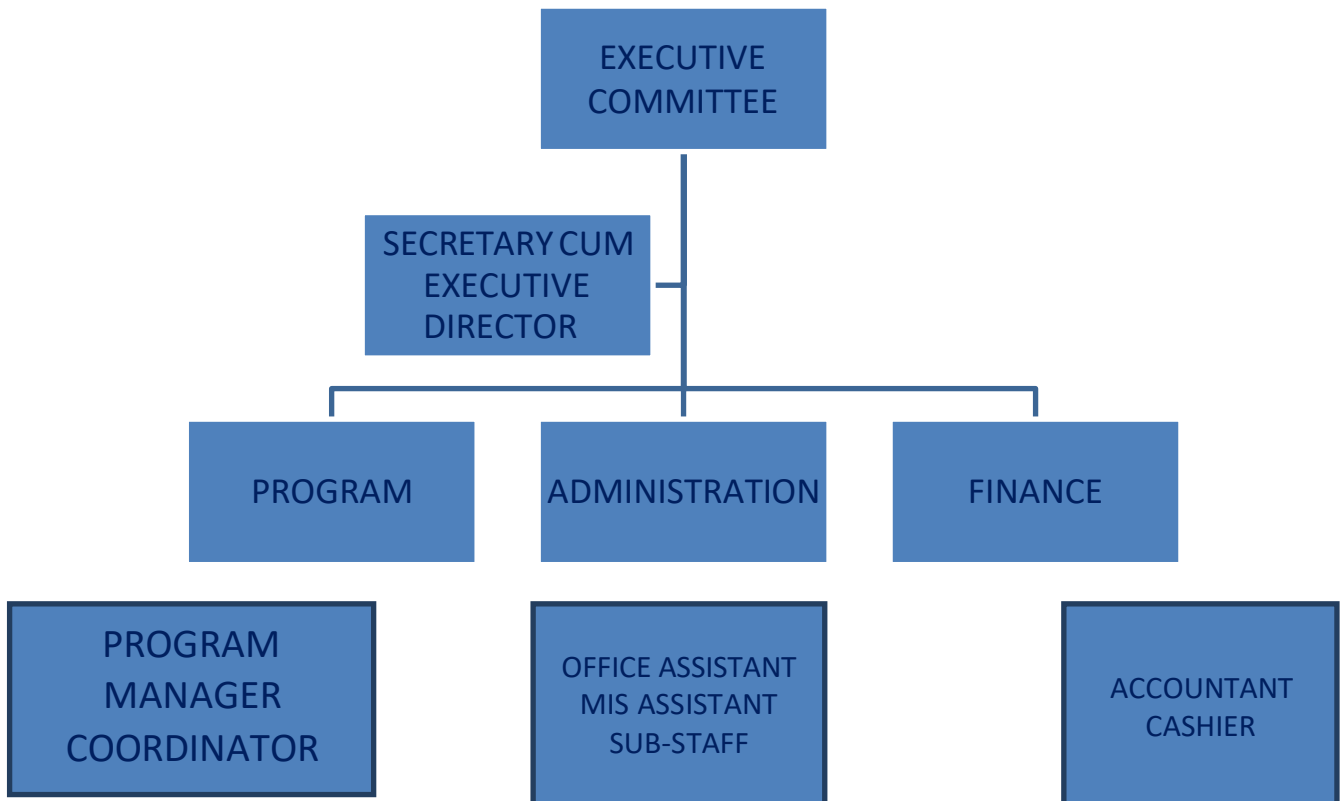

<b>Bankers</b>	United Bank of India
	Bank of India
	ICICI Bank

<b>Auditor</b>	B. Kishore & Co., Vivekanand Colony, Road No. - 4, Jhiri, Kamre, Ranchi - 835222, Jharkhand
----------------	---

## ORGANISATIONAL STRUCTURE

LGSS comprises of highly motivated professionals, workers and supervisory staffs with varied skills and experience in their field of expertise. The team consists of over hundred dedicated workers, thirty-five supervisory staffs and twelve professionals working at the project management level. The team is assisted by highly efficient office/administrative staffs and the secretary. LGSS also gets the invaluable services of highly qualified professionals like doctors, engineers, social scientists, management experts and legal advisors.

### ORGANOGRAM

# VISION :: MISSION :: OBJECTIVES

## VISION

A rural self-reliant society i.e. Sampoorna Gram Swaraj

## MISSION

To empower rural poor and disadvantaged community in such a way, that they can identify, utilize their Potential and resources for their overall development in a sustainable manner

## OBJECTIVES

To improve the present condition of rural people by reducing poverty, unemployment, illiteracy and problems regarding health

To organize rural women for socio-economic development through income generation activities and skill development training

To create equal opportunity of education for the children of disadvantaged section of the society

To promote livelihood opportunities through proper management of natural resources and agriculture practices

To organize rural people and women for leadership development and development of people's pressure and vigilance committee

To develop appropriate rural technology and promote non-conventional energy sources

To collaborate with the government departments and other development agencies to make convergence of all development programmes in an integrated manner for all-out development.

### **Mother Support Group**

Orientation programme for Mother Support Groups have been conducted in partnership of Child in Need Institute (CINI) with the objective to emphasize role of mothers in child development and managing family affairs. The programme has been taken up in two phases. In the first phase 125 women participants from 3 villages of Lohardaga Sadar block and two villages of Kisko block in Lohardaga district have been oriented. In the second phase 375 women participants from Peshrar block of Lohardaga district, Sadar block of Gumla district and Kolebira block of Simdega district have been oriented.

## **LIVELIHOOD PROMOTION**

### **WADI Project**

WADI is an Agri-Horticulture based farming system in the rainfed area envisaged empowering women through community participation, initiative and marketing knowledge up gradation and provide a number of benefits ranging from improving the nutritional level and providing additional income by improving agricultural productivity to improve the situation

of farm families of the small and marginal farmers especially of women, tribal and vulnerable section.

This programme was initiated in the year 2010 with the support from Tribal Development Fund / NABARD and implemented in six villages - Gajni, Ulti, Chalho, Mahuari, Pachagai, and Narauli in Kairo block of Lohardaga district to support tribal households of the small and marginal farmers with low agricultural productivity. Since than 300 tribal families had been identified and 204 tribal families have been linked to activities as agri-silvi- horticulture, soil conservation, water resource development, training/capacity building, and various income generation activities to ensure round the year availability food & fodder, and continuous source of income. 15 vermi composting, 5 goat rearing units, 5 poultry units, and 2 solar lamps charging stations were made functional. Orchards of more than 32,000 mango and guava plant developed in the beneficiarie's land. 6 Village Planning Committee were formed besides 22 WSHGs with the beneficiaries. Repairing work for 1 existing well and construction work for 3 dug well were also completed. In two villages, 1700 meters of water pipeline was laid to facilitate irrigation. A farmer's producer Company was also registered under The Company Act, 2013, with member of 500 farmers of WADI. 6 Bee keeping unit were established in Narauli and Pachagai village and 8 wells and 3 ponds were renovated.

In the 6<sup>th</sup> year of this programme, activities as renovation of 4 existing wells for ten WADI in Narauli and Gajni villages and construction of 5 vermi- composting units have been undertaken.

### **Local Entrepreneurship Development Programme (LEDP)**

150 WSHG members have been trained on spice cultivation and its processing and marketing under NABARD supported LEDP programme, demonstration of scientific method of spice cultivation, processing method and marketing was the content of training. An processing plant has been established by the trainees women.

← Exposure Visit of women SHG members at Annapurna Industries to understand process for Spice Processing, Grinding and Packaging

← Demonstration of Spice Cultivation through Scientific Method

## Micro Entrepreneurship Development Programme (MEDP)

Training on Mushroom cultivation at Kundo village of Kairo block

Training on Mushroom cultivation at Bamandiha village of Kairo

A Mushroom Production Unit at Bamandiha village (Bhandra block)

## Convergence of NRLM and MGNREGA

The Cluster Facilitation Team (CFT) project was initiated as pilot project in the year 2014-15 in convergence of National Rural Livelihood Mission (NRLM) and Mahatma Gandhi National Rural Employment Guarantee Scheme (MGNREGS) with the objective of creation of asset for sustainable livelihood of vulnerable section of the society through MGNREGA. CFTs have been established at Village Development Cluster (VDC) level to support in intensive planning exercise to meet the objectives of MGNREGA, mobilizing the communities to participate in the programme, technical support to Gram Panchayats for execution of their statutory roles and role as PIAs implementing MGNREGS works.

Under the project Six Cluster Facilitation Teams have been established in Lohardaga and Kairo block of Lohardaga district by LGSS. Activities as facilitation and capacity building at

District	Block	Gram Panchayats	CFTs
Lohardaga	Lohardaga	Arkosa, Bagha, Bhatkhijri, Hesal	3
		Hirhi, Manho, Jori, Tigra, Rampur	
	Kairo	Ningni, Harmu, Juria	3
	Narauli, Guri and Gajni		
		Sarabe, Hanhat and Kairo	

grassroots level and mobilization of CBOs and Gram Panchayats have been undertaken to strengthen the implementation of MGNREGS. The major activities conducted during the year are,

- 96 Block Coordination Meetings have been conducted to review about the progress and challenges in implementation of the MGNREGS.
- 499 Dobha and 37 Irrigation Wells have been constructed.
- By community mobilization activities for demand of work in the MGNREGs 16736 man days work has been created. Total 627 new job cards have been issued.
- Training on Financial Management has been provided to 441 members of Women SHG groups from all 26 Villages in the 6 intervention Panchayats.
- 125 SHGS members (Mate) have been trained on MGNREGA during this financial year.

Amit Lakra is a farmer of Chalho village in Gajni Panchyat of Kairo Block. Due to unavailability of water round the year his family was dependent on single crop. In the absence of other sources of income his family was going through financial crisis and poverty.

During the Yojana Banao Abhiyan he had given proposal of Dobha and Well construction under MGNREGS. He has also worked in the scheme. After the construction of Dobha as per suggestion of CFT he started vegetable cultivation in his 40 decimal land. At present he is cultivating various vegetables as brinjal, lady finger, chilly, etc. and earning approx. Rs. 3500-4000 per month. With the construction of Dobha he has got an additional source of income.

## India Literacy Project

## HEALTH

### Advocacy for Family Planning

A strategy building exercise has been conducted in partnership with Child in Need Institute (CINI) on advocacy for family planning. A qualitative assessment to understand user knowledge, perspective, behaviour on family planning methods (spacing and limiting), contraception, child bearing, maternal health etc.; service providers perception on family planning services and quality of care; and supply chain of family planning products has been conducted in two blocks of Gumla district.

This qualitative assessment involved 43 focus group discussions with the eligible couples and adolescent girls and boys. Also in-depth interviews with service providers and health administration were conducted.

### Awareness Programme oh Health & Hygiene

To promote health, hygiene and sanitation among the tribal women and adolescent's awareness programs were conducted in Lohardaga, Khunti, Gumla and Palamu districts of Jharkhand in partnership with Vigyan Prasar.

Under this awareness programme four workshops have been conducted. A total 215 participants have been participated in the programme. These workshops helped in understanding the practices and behavioural aspects related to health and hygiene and changes over time in day to day life of the tribal women. Also the healthy and safe practice on health, hygiene and sanitation have been discussed and advocated with the participants to adopt during these workshops.

## **B. EDUCATION**

### **India Literacy Project**

The India Literacy Project, funded by ILP-USA, was started in the year 2010 and is continuing. The project is being implemented in Kairo and Kisko block in Lohardaga district. ## D. **Social Security and Inclusion**

### **D.1 Promoting the rights, skills and leadership of Persons with Disability (PWD) through structuring of DPOs in Lohardaga district**

The project “Promoting the rights, skills and leadership of Persons with Disability (PWD) through structuring of DPOs” was initiated in the year 2003 in partnership with CBR Bangalore. This programme is aimed at improving the quality of life for Person with disabilities and providing them equal opportunities and inclusive environment for fulfilling their duties and responsibility like other people in the society. All the seven blocks of Lohardaga district is covered under this programme. The project is expected to bring effective changes in the systems and practices through Swablambi Viklang Mahasangh (DDPO) along with other BDPOs and thereby bring changes in the lives of PwDs for their effective participation, inclusion and improve quality of life at par with others in Lohardaga district by 2020.

Under this programme activities as capacity building of PWDs, training of DDPO leaders, and advocacy have been conducted. As result of these interventions two DPO leaders elected as members of district monitoring committee on accessible election and one person elected as member of assembly constituency committee on accessible election. Four village level DPOs have been formed. A selection for camp for disability players organized in collaboration with SVMS. 150 PwDs linked to skill training, disability certificates issued to 58 PwD, disability pension issued to 56 PwDs, assistive device provided to 31 PWDs, 6 PwDs have been provided with artificial legs, 66 PwDs got the benefit of Pradhan Mantri Awas Yojna.

## **E. LIVELIHOOD PROMOTION**

### **WADI Project**

WADI is an Agri-Horticulture based farming system in the rainfed area envisaged empowering women through community participation, initiative and marketing knowledge up gradation and provide a number of benefits ranging from improving the nutritional level and providing additional income by improving agricultural productivity to improve the situation of farm families of the small and marginal farmers especially of women, tribal and vulnerable section.

This programme was initiated in the year June 2010 with the support from NABARD – Jharkhand under the Tribal Development Fund and implemented in six villages - Gajni, Ulti, Chalho, Mahuari, Pachagai, and Narauli in Kairo block of Lohardaga district to support tribal households of the small and marginal farmers with low agricultural productivity. The project is ended in June 2018.

Through this programme 300 tribal families had been identified and 204 tribal families have been linked to activities as agri-silvi-horticulture, soil conservation, water resource development, training/capacity building, and various income generation activities to ensure round the year availability food & fodder, and continuous source of income. 15 vermi composting, 5 goat rearing units, 5 poultry units, and 2 solar lamps charging stations were made functional. Orchards of more than 32,000 mango and guava plant developed in the beneficiary's land. 6 Village Planning Committee were formed besides 22 WSHGs with the beneficiaries.

### **Micro Enterprises and Development Program(MEDP)**

The Micro Enterprise Development Programme (MEDP) is started in the year 2016 with support from NABARD in Senha, Bhandra and Kairo block of Lohardaga district. Objective of the programme is to promote entrepreneurship among Women SHG members of the intervention blocks.

Under this programme, consistent support extended to SHG members on enterprise development and management. Capacity building of SHGs undertaken for systematically enable livelihood promotion activities for better economic well being and provide appropriate skill up gradation/ development and knowledge enrichment in existing or new livelihoods activities in farm or non-farm activities.

30 Mushroom Production units and 30 Vermi Compost units have been established by beneficiaries in their village. Marketing of the products is being done by the SHG members. With this each of the SHG member is earning approximately Rs. 1000 per month.

### **Livelihood Enterprises and Development program (LEDP)**

The Livelihood Enterprises and Development Programme (LEDP) for Women SHG members has been undertaken in Sadar block of Lohardaga district supported by NABARD-Jharkhand. Aim of the programme was to empower members of women SHGs through entrepreneurship development and create rural enterprises towards their economic development.

Broad objectives of the programme are,

- To identify suitable livelihood activities through participatory approach based on local demand, availability of raw material, marketing facilities, skills sets, traditional knowledge of community.
- To enhance the capacities of SHG members / their family members through identifying the skill gaps, appropriate skill upgradation, demonstration and development of livelihood activities in the locality.
- To facilitate collaboration with resource agencies for provision of common infrastructure/ incidental services including establishing business tie-up arrangement or assured buy-back of the finished products.

Key achievements under the programme are as follows,

- Three spice production units established in Rampur, Bhattkhijri and Bakarni villages with average monthly production of one quintal each.
- Branding of the product has been done in the name of the name of "Vishwash Masale". Dhaniya Powder, Mix Powder, Haldi Powder and Mirch Powder are the major product line.

- Marketing of the products is being done by the members of the SHGs. With sale of the products each of the members of the SHGs earning monthly income of Rs. 2000 to Rs. 3000.

## **Farmers Producer Organisation (FPO)**

As part of the rural livelihood promotion initiatives, project on Promotion of Farmers Producer Company is being undertaken since April 2016 in Lohardaga and Kairo Block of Lohardaga district. The project is supported by NABARD and the project period is April- 2016 – March 2019.

Under this project, two farmers producer company are registered, “Basudha Beej Utpadak Producer Company Ltd.” in Lohardaga block and “Amrapali Kairo Phal Sabji Utpadak Producer Company Ltd.” in Kairo block of Lohardaga district under the Company Act. The results of the project so far are very encouraging,

- 1113 shareholders are associated in both the companies.
- Share capital of Rs. 241000 collected from the shareholders.
- Agriculture inputs supply started to shareholder farmers like seed and fertilizes
- Marketing linkage initiated for agriculture produce

## **Cash Crops Promotion Project**

The Cash Crops Promotion Project has been initiated in the year 2017 with the support of Mukhya Mantri Anusoochit Janjati Gram Vikas Yojana, Government of Jharkhand in Mada, Sisai, Gumla. Under the project, 50 acre of land and 50 beneficiaries have been covered.

Objectives of the project are,

- To promote cultivation of vegetables among the poor schedule tribe farmers.
- To promote organic farming
- To promote scientific farming
- To promote use of upgraded technology in agricultural works

During the year 2017-18, works on construction of intake well and pump house, laying of 2000 feet pipe line with 4 outlet and 2 water raingun, installation of 10 hp diesel engine undertaken. Seeds of Green Pea, Daikon (Mooli), Mustard, Potato and other vegetables distributed and other inputs provided among the beneficiaries. With cultivation of Green Pea each of the beneficiaries earned Rs. 31000. With production of Potato each of the beneficiaries earned Rs. 18500. With the cultivation of Mustard and Tomato each of the beneficiaries has earned Rs. 25000 on an average. Out of the 50 beneficiaries, 12 farmers also cultivated wheat. Each of the 50 beneficiaries supported in development of Vermi Compost unit. Produced Vermi Compost used by the farmers in their fields adding to improvement in soil fertility and crop production.

Also in the year 2018-19, farmers have been provided facilitation, support and inputs for cultivation of vegetables and other cash crops as, Green Pea, Tomato, French Beans, Mustard, Pumpkin, Water Melon, Sugarcane, Wheat etc. Annually average one quintal Vermi compost has been produced by each the beneficiary. With this cultivation and production of vegetables and other crops helped in increasing the income of the beneficiary farmers.

## **Natural Resource Management**

### **Convergence of NRLM and MGNREGA**

The Cluster Facilitation Team (CFT) project was initiated as pilot project in the year 2014-15 in convergence of National Rural Livelihood Mission (NRLM) and Mahatma Gandhi National

Rural Employment Guarantee Scheme (MGNREGS) with the objective of to create asset for sustainable livelihood of vulnerable sections of the society through MGNREGA.

Under the project Six Cluster Facilitation Teams have been established in Lohardaga and Kairo block of Lohardaga district by LGSS. Activities as facilitation and capacity building at grassroots level and mobilization of CBOs and Gram Panchayats have been undertaken to strengthen the implementation of MGNREGS.

Achievement of the project during the year are as follows ,

- Works have been undertaken for construction 189 dova, 137 NADEP tank, 75 irrigation canal, 191 irrigation well and 14 animal shed. Works have been undertaken on land development in 80 locations and field bunding in 27 locations.
- Mango plantation orchard developed in 71 acre area of two panchayat (Hirhi, Bhatkhijri, Rampur, Arkosa, Ningni) of Lohardaga block through MGNREGA .
- Against the demand of work in MGNREGAs 263221 man days work has been created with 51% women participation in MGNREGA during the year.
- 578 new job cards have been issued.
- 457 women SHGs are provided training on entitlements and NRM based planning.
- 252 SHGs mate have been given refresher training on MGNREGA during this financial year and extended support in implementation of MGNREGA work.
- New Mango Plantation Orchard development undertaken in 103 acres land in 7 Panchayat of Lohardaga block and 3 panchayat of Kairo block.
- Extended support in integrated watershed planning process in 6 villages of Kairo block & 12 villages of Lohardaga block. Support has also been extended for 55 ward planning in Kairo & 88 ward planning in Lohardaga block.
- Training on post management of mango plantation conducted with 91 beneficiaries of Lohardaga block.
- Facilitation of 864 Rojgar Diwas were facilitated in 18 Gram panchayat of Lohardaga & Kairo block.
